

FCL BOARD DIRECTOR **KELLY PRICE**

Pinnacle Accounting & Finance, LLC

Kelly Price is a professional recruiter with over 10 years of experience in the staffing industry. Graduating from Lake Erie College in Painesville Ohio with a Bachelor's Degree in Business Management and Marketing.

While attending Lake Erie she was captain of the volleyball team and also played basketball and softball her freshman year before academics consumed her time. She began her career with Pinnacle in February of 2016 as a Senior Associate and has progressed to the Director of Client Services.

In her current role, Kelly leads the Permanent Search group and enjoys networking amongst accounting and finance professionals to understand how she and the Pinnacle team can best serve them. Kelly from day 1 has always been about doing the right thing and has not been tempted by the easy way out. A genuine honest approach is what you will get when you're working with her.

Kelly is also a member of the ACG Future Corporate Leaders Board, A member of the ACG Women's committee and an active Sponsor of the Financial Executives Institution (FEI)

Kelly has a fun, caring, sarcastic personality, and let's add in a good sense of humor. She is what the "Yinzers" call a Pittsburgh Implant as she moved from her beloved hometown of Independence Ohio to Greensburg Pennsylvania in 2015 leaving behind her favorite losing football team. "Next year is our year!" says Kelly along with every other Cleveland Browns fan. She is the definition of "You can take the girl out of Cleveland, but you can't take the Cleveland out of the girl" (Let's not hold this against her...) Kelly and her husband have two beautiful high-energy girls that keep them very busy outside of work. In Kelly's "free time" she enjoys cooking and hosting dinner parties for her friends and family. Kelly is frequently attending networking events and strolling around Downtown Pittsburgh – if you see her don't be afraid to strike up a conversation.
